### Collect the tenth Sunday after Trinity

Let your merciful ears, O Lord, be open to the prayers of your humble servants; and that they may obtain their petitions make them to ask such things as shall please you; through Jesus Christ our Lord.

### Thought for the Week Dynamic Challenge

The Christian challenge is dynamic. Jesus preached a practical, hands-on, get-up-and-do gospel. He is forever telling us: 'I have given my body, the living bread for you. Go, and do . . . Go and preach, go and heal, go and raise the dead.'

God is good, and he is just. He does not promise something, and then change his mind. He does not tell us to do great things without making it possible for us to do them.

All God is waiting for, is for us to accept his challenge.
