## Round Up of News

### 1st March 2021

(updated version)

#### Local News

As some of you may have realised ,our local bus to Morrisons has now changed its route. The 42 bus no longer goes down Cofton Road but goes both ways along Alvechurch Road and Longbridge Lane. The service to Morrisons is the normal time but the service back runs half an hour later. Its route has also been extended as far as the QE Hospital. It takes one and a quarter hours! There will also be more than one bus on the route.

#### Church News

The Church will be reopening on 14th March. Even though quite a few people will have had their first dose of the vaccine, we must remember the rules which have been set for all our safekeeping. We will be sitting apart from other people and keeping our distance from others at all times and wearing a face covering. Unfortunately we will not be able to go across to people to say hello. Once seated we will stay at our place unless asked to move by a church leader. We cannot sing as a congregation yet. When we leave church we will be directed to leave one at a time and must wait at our seat until we are asked to move. Outside there will be a temptation of talking to other people but we must remember to keep our distance and wear a mask.

#### Prayer Requests

Please can you pray for the following people at the moment:  
The family and friends of Heather who has recently died and also Barbara & Michael. Lord you know all their needs please be with each one and others who are on our hearts at the moment Amen.

#### Birthday Greetings

Happy birthday to Eddie Worrall who will be 7 years old on 13th March and to Joyce Arnold who will be celebrating her birthday on 14th March. Please let us know when it is your birthday so we can think of you.

## Puzzle Time

Ian's mystery object caused quite a stir with a flurry of suggestions from lots of people. Dawn and Joyce were the closest with their ideas. The object in the picture was the framework for a manrider seating unit. It was the part that sits on top of the chassis and holds the seats in place. Here is a picture of Ian's completed model.

If you have an idea for a puzzle that we could share then please email it to Janet or Georgina.

## Recipe Sharing

Some years ago St. Anne's congregation put together a series of recipe books. The earliest before 1992 and the latest in 2012.

Janet thought that you might be interested in one of the recipes devised by her Mum which appeared in the first book:

### Freda's Folly

8oz double cream, whipped

1 packet of cookie biscuits and 1 chocolate flake if wanted

1 teaspoon coffee mixed in

2 tablespoons hot water and 2 tablespoons sherry.

- Dip each biscuit in the coffee mixture fairly quickly.
- Join each biscuit with a little cream to the next biscuit, standing them on edge until a roll shape is achieved.
- Cover all of the biscuits with the whipped double cream. This can be sprinkled with crushed flake chocolate.
- Leave for about 2 hours before eating.

If you have a recipe that you have created that you would like to share with the congregation then please send it to us.
