

COVID-19

The Church continues to be alive and active, but in Birmingham our buildings must close.

We must physically distance ourselves from one another and prevent the spread of infection in order to save lives.

Therefore, as well as public worship being suspended, this and all church buildings in the Diocese of Birmingham are now closed.

Our worship of God and our care for each other continue but cannot be done in this building.

Our facebook page will guide you to join others online for prayer, worship, study, and community life.
